

St. Vincent de Paul Society

People helping people. St. Vincent de Paul society is a parish based group of people who live out their faith in action by visiting people in their homes to provide support, friendship and material assistance.

Our small group regularly monitors a telephone answering machine, and we respond to appeals for assistance with vouchers for food, drugs, clothing, heating fuel and taxi transportation.

We also assist clients by referring them to appropriate agencies at the local, provincial, or federal levels for matters pertaining to pensions, welfare payments, unemployment or disability benefits, etc.

The assistance provided by the St. Vincent de Paul Society of St. Gregory's parish is supported solely by the generosity of donors. Any assistance that you can offer will be greatly appreciated, and donations of \$10 or more will merit a charitable receipt for your income tax return.

Please consider those less fortunate than yourself.
