Prayer for Christian Unity- January 18-25

The Week of Prayer for Christian Unity is celebrated around the world

January 18-25. This universal week of prayer encourages Christians of all denomination to meet, to participate in various liturgical and other community activities and to pray together that all may be one, as Christ desires. The importance of unity among Christians and responsibility for this unity should be emphasized throughout the week. All members

of the parish should seek to have a deeper understanding of Ecumenism.
